Gorgeous Valentines for our Favorite Time of Year

We are excited to offer *exceptional Valentine cards this year*; ones that you and the recipient will display for years to come. And to pull yourself out of the winter doldrums, a sweet seasonal display on a tabletop is a sure pick-me-up!

- Beautiful vintage style images, 3-dimensional and glittered describes our *cards by The Gifted Line* presented by Punch Studios. Priced from \$1.95-3.25, anyone would be thrilled to receive one.
- Illustrated *Rose heart wreath cards by Oregon's Susan Laird* will prompt you to breathe kind words to your own sodden rosebushes but can tide you over until bloom time. \$3.50 (Our envelope shows one of her wreaths.)
- *Card sized original watercolors*, ready to snap into a small frame, are always best sellers here. Artist **Peggy Patton's** voluptuous roses are winners at \$6.50.
- *Fragranced soaps and lotions* are a welcome gift to dieters! Our French soaps from **Provence** include *Pomegranate, Peony, Pineapple* and *Mint Leaf*, each tied with a Valentine ribbon. Accompany one of the above rose cards with the fresh-picked fragrance of a **Crabtree & Evelyn Rosewater** cold cream soap. \$6.00
- *Valentine Tea* blended by **Harney & Sons** is infused with chocolate and rose petals, a gentle dessert tea that is rich in flavor but without guilt or calories! Our favorite *Chocolate Mint tea* is a refreshing change. (Mr. Harney selects his mint grown here in the Willamette Valley.) Full leaf teas in chiffon bags, 5 ct \$3.50-3.95 or in tins \$9.50-10.95.
- *Chocolate covered hazelnuts*, made in Aurora \$3.95. (Ours fortunately were not affected by the recent nut recall.) Pour them into a pretty dish and savor them one by one!
- *Petal or Itty Bit by Bunnies by the Bay* appear with their pink bunny cheeks and sit up on their ample derrieres. Too cute for just the kids, \$12.95 in pink or white.
- **Sweet Romance's sparkling earrings** in all kinds of colors and styles. Treat yourself to a new pair or let us wrap them as a special gift.
- *Authentic antique Valentines* with honeycomb details and original sentiments for the antique collector.

Heart to Heart

Considered Poems for Tea Time

A new book of poetry by Earlene Grey

February 6, 12-3pm

Meet Earlene and have her sign a copy of her insightful poems.

"It is indeed as we have long suspected. Earlene Grey is much more than a poetess. She is a wise woman whose words you will want to carry with you to teatime. . . and beyond."

Laurie Nienhaus, Author, playwright and director of Gilded Lily Publishing

The success of this Oregon City resident's first hardbound book, *Musings with a Cuppa*, had left her fans looking for another. Literally fresh off the press, *Heart to Heart* is a sweet tome of all new verses and "Earleneisms" (some call them "tea sips") that is sure to be another hit. A wonderful book to give as a gift or to enjoy yourself (recommended with a cup of tea!), Earlene's wit, intelligence and thoughtful reflections always make an impression. Beautifully illustrated by Oregon's Susan Laird, this book will stand as a keepsake along with those lovely little antique poetry books of which we can never find enough! Hardbound \$18.

As we glide into the coming decade and we all adapt to the "new normal," *some things just shouldn't change.* We still love our homes and the way they look, we want our families around us in the best and worst of times and we each want our portion of solitude in a warm and comfortable place! Our store is similar in that we work to keep the showrooms attractive with plenty of "eye-candy" goods, we love hosting your family and friends when they come and we welcome your chance to quietly browse without our staff hovering over you. So, *keep dropping by (we love unannounced guests!) and we'll keep the great goodies coming.*
